STEDEFREUND AT BERLINER KUNSTSALON 2007

28. September - 2. October
2 - 10 pm

For the 4th Berliner Kunstsalon, Stedefreund presented its artists within a special exhibition architecture that was painted on by Geka Heinke. The works shown by the group responded to each other, the space, and the context of the fair. Three artists who recently joined the group, Anne Gathmann, Nicole Degenhardt, and Sinta Werner, were included within a Stedefreund exhibition for the first time.
